EXCELLENCE | INTEGRITY | LEADERSHIP

Teachers' Professional Development and Capacity Building

Date: 28-2-2024, 29-2-2024

Organized by Shamsa and Muneer Foundation, University of Sufism and Modern Sciences, Bhitshah.

Training venue: MMZ Talbul Mola Law college, Hala New.

Objective:

The training session aimed to enhance the knowledge and skills of teachers in effectively guiding and teaching students, focusing on modern techniques and strategies.

Session Highlights:

1. Role of Guidance and Counseling:

- Mr. Zain ul Abdin, nominated by the University of Sufism and Modern Sciences, conducted insightful sessions on the importance and role of guidance and counseling in student development.
- He emphasized the significance of providing students with appropriate guidance to navigate academic and personal challenges.

2. Modern Techniques of Classroom Assessment:

- Mr. Zain ul Abdin, nominated by the University of Sufism and Modern Sciences, delivered sessions on modern assessment techniques, providing teachers with innovative methods to evaluate student learning and progress effectively.
- Modern assessment Techniques such as flipped classrooms, oral assessment, project method, and role play method. Student-centered approaches were discussed to foster a holistic understanding of students' abilities.

3. Teaching Techniques in Science and English:

- Ms. Javeria Memon, nominated by the University of Sufism and Modern Sciences, shared valuable insights into teaching methodologies tailored for Science and English subjects.
- She provided practical strategies and resources for primary school teachers to enhance their instructional practices and promote student engagement.

Outcome:

- Participants gained a deeper understanding of the role of guidance and counseling in education, as well as modern assessment techniques.
- Educators acquired practical teaching techniques in Science and English, enabling them to create dynamic and effective learning environments in their classrooms.
- The sessions fostered collaboration and knowledge sharing among participants, empowering them to apply new strategies in their professional practice.
